GAS FIREPLACES

Courtyard 36" shown with Premium Traditional Brick interior and High Definition Logs

COURTYARD OUTDOOR GAS FIREPLACE

The Courtyard outdoor gas fireplace is the perfect blend of artistry and function: traditional styling with ultra-realistic logs that ignite at the flip of a switch. Mesmerizing flames provide instant ambiance and relaxation. Cozy up with the Courtyard.

- Choose from multiple interior options including stainless steel to magnify the flames, traditional brick for a classic look or premium stacked or herringbone brick for a unique look in neutral tones
- Rust-resistant stainless steel construction
- IntelliFire ignition system with wall control constantly monitors ignition and ensures safe functioning
- Available in 36" or 42" widths

Optional feature

- Framed Mesh Barrier

Lanai 48" shown with clean face trim and Driftwood Logs

LANAI OUTDOOR GAS FIREPLACE

Light up your landscape with our best and brightest, the Lanai linear outdoor gas fireplace. The night comes alive with glowing flames and a colorful crushed glass firebed reflected in stainless steel as you create a contemporary vibe to your outdoor space.

- Modern linear design in 48", 60" and stunning 48" see-through models
- LED lighting in eight colors (choose one or cycle) and three intensity levels
- Stainless-steel interior to reflect and magnify the flames
- Durable with rust-resistant, stainless-steel construction
- Safe operation with IntelliFire® Ignition System monitoring
- Weatherproof wall control to run your fireplace and change LED colors
- No chimney or venting needed, blends anywhere into your space
- Glass wind guard to keep flame pattern steady and strong

Optional features

- Add a layer of safety with an optional screen to protect and prevent debris from entering the fireplace
- Add optional ceramic stone or driftwood logs for a touch of customization
- Ensure even longer life with a drain pan that moves moisture away from the fireplace

FIREPIT GAS LOG SETS

Arizona Weathered Oak

Aspen | Birch

Western Driftwood

Firepit Log Set Size	Quantity included
18"/24"	9 pcs.
30"/36"	16 pcs.
48"	31 pcs.

Found across the Arizona terrain, Grand Canyon Gas Logs feature unique life-like characteristics throughout all our styles.

From the unique wood decay, cracking and splitting found in the Arizona Juniper and Western Driftwood, to the deep rich bark with natural highlights in the Arizona Weathered Oak - our logs give the realism of freshly chopped wood in your fireplace. Take notice to the detail in each one of these individually cast, hand-painted works of art.

Fire Pit Stacks are available in 18", 24", 30", 36", and 48". Available in Tee Pee Stack, Flat Stack, and Round Tall Stack. For Item numbers, see price guide.

For more firepit media options, check out the Athena Fireglass and Fiber Balls.

SUMMERSET OUTDOOR OVEN

MASON-LITE
by MFI • Masonry Fireplace Industries, LLC

Modular Pre-Cast Fireplace Systems

TOSCANA Wood Fired Pizza Oven

Mason-Lite is built on helping homeowners realize their dream of installing true masonry hearth products, without the cost and complexity of traditional masonry construction.

The Toscana Wood Fired Pizza Oven continues this tradition as a prefabricated, refractory modular wood fired oven designed for field assembly. The system consists of interlocking precast components which adhere together with masonry mortar. The Pizza Oven includes the inner firebrick panels, and the outside can be

finished to any preferred non-combustible materials.

Side & Power Burners

Here we've combined the comfort of an indoor kitchen range with all the benefits of being outside. Specially designed for performance and function, a Summerset side burner is the perfect addition to your outdoor kitchen. Commonly used for finish cooking, sauces, or heating foods that require lower, more controlled temperatures than your grill, a side burner offers the convenience of range top cooking and grilling simultaneously. Find the perfect side burner for your outdoor kitchen with four professional lines to choose from: Sizzler, Sizzler Pro, TRL and Alturi. All Summerset side burners feature stainless steel construction, heavy stainless steel grates, and up to 65,000 BTUs of power—all packed in a sleek design and backed by AMD Direct's Gold Standard Lifetime Warranty.

27" Horizontal Door (DH-27M) <i>SSDH-27M</i>	24-3/8"(W) x 17-3/8"(H) x n/a(D)
12" Island Vent (IV-12M) <i>SSIV-12M</i>	12-1/8"(W) x 6-1/8"(H) x 1-3/8"(D)

GOLD STANDARD WARRANTY

Your investment in AMD Direct products is backed by the strongest warranty in the industry. In addition to precision engineering and outstanding performance, AMD Direct products include our GOLD STANDARD LIFETIME WARRANTY with all replacement parts 100% non-prorated. Effective with purchases as of 8/1/21.

AMD Direct Warranty is valid for original purchaser at original site of delivery with proof of purchase and photo documentation only. Registration form must be submitted online within 30 days of the purchase date to validate the warranty. Warranty is void upon transfer of ownership. Warranty does not apply to products installed in any commercial, rental, or nonresidential application (exception of the Resort Grill, Alturi, & TRL). Warranty covers replacement parts only. Manufacturer is not responsible for labor or labor-related costs. Warranty does not cover discoloration, surface rust, corrosion, or oxidation, which may occur due to harsh environments, chemicals, or overheating. Warranty will not apply for damage resulting from improper installations, abuse, extreme environments, grease fires, or misuse. Proof of regular and proper maintenance is required. Coastal, humid, and/or salt environments are subject to manufacturer review. All out-of-box claims must be made within 30 days of purchase and must be made prior to installation. Any product installed damaged will be considered damaged during installation and not covered under warranty. Warranty and registration forms are available at www.amddirect.com/register. Please be advised - all display models are sold "as is" and the warranty covers the following items only: main burners (Gold Standard Lifetime Warranty), grates (Gold Standard Lifetime Warranty), burner covers (Gold Standard Lifetime Warranty). All warranties are subject to the review and approval of the manufacturer.
